Pod 44ft
Spec Sheet

Specifications

Allow us to introduce to you the Expandable Pod (44 ft) – a compact design, wrapped in a flexible package. A compact solution, the Expandable Pod is best suited for tight spaces or smaller groups. Its low step-in height provides an inviting and easy access. The Expandable Pod is also available in 25 ft and 30 ft.

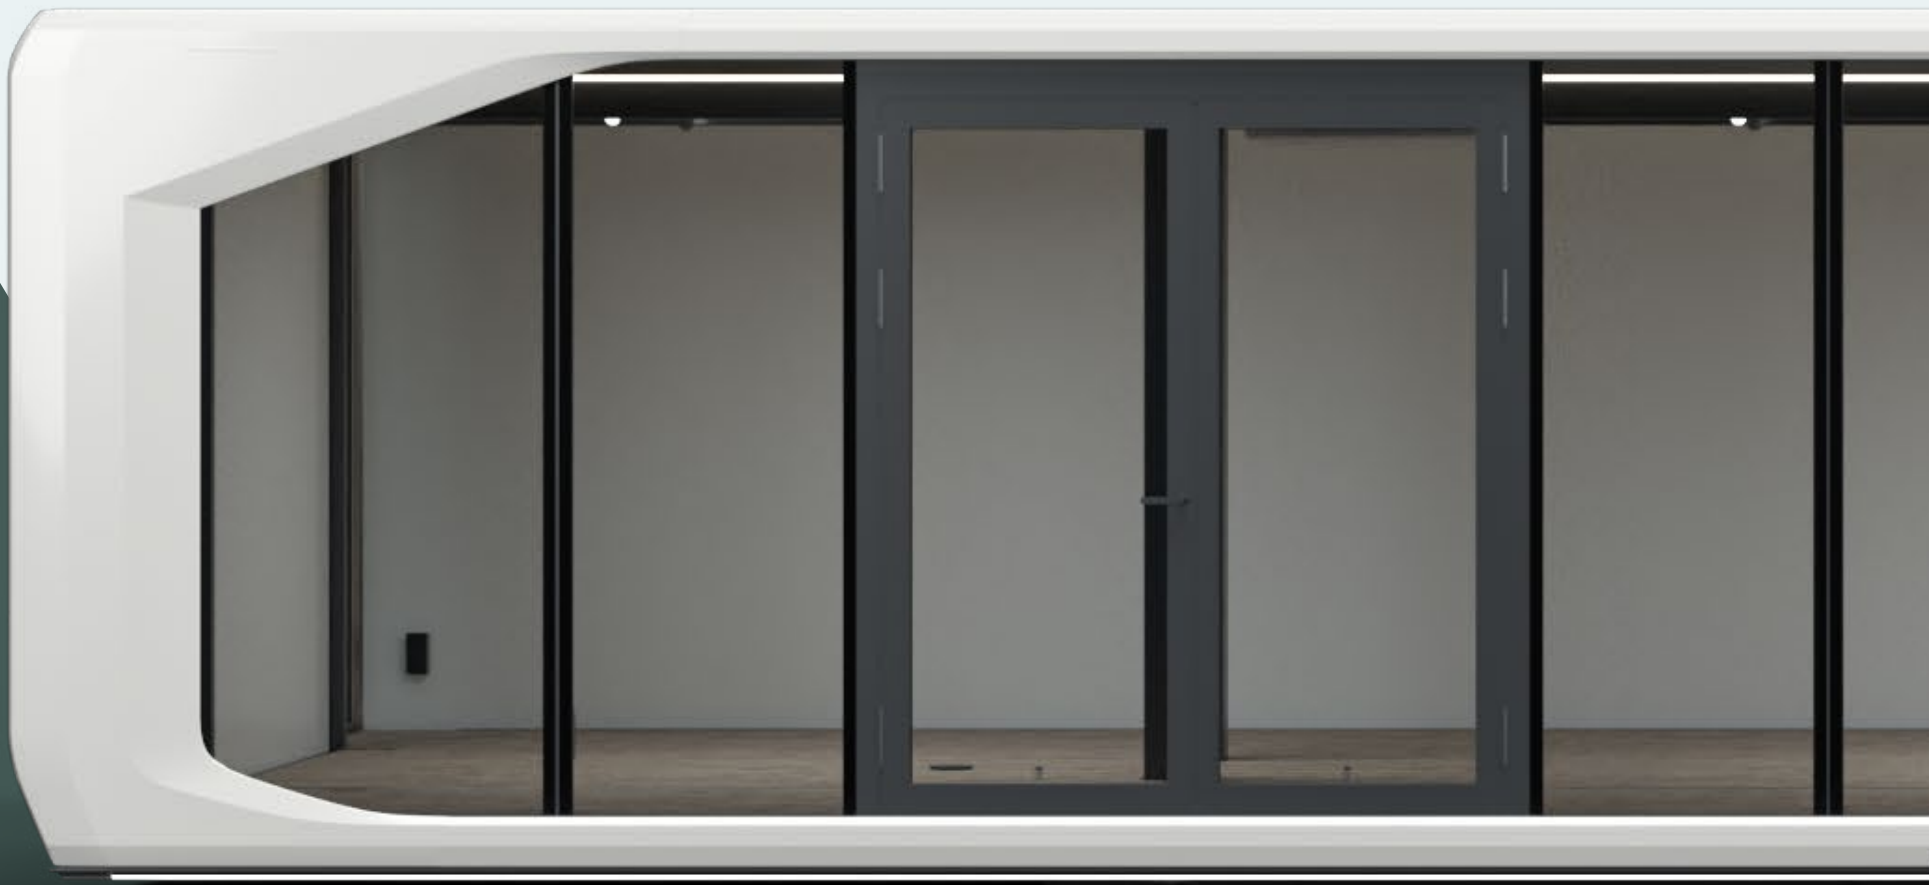

With its low step-in height and easy-to-use setup with hydraulic legs, the Expandable Pod strikes a perfect balance between compactness during transport and space when fully set up. Every Expandable unit is easy to operate and can be set up by any one person in just 15 minutes. It is fully customizable and ensures a short delivery time by using modular elements.
